

Pictured above is Florence Owens, dancing and baton teacher of Olds, who will present her pupils in a revue on June 18th in the Olds Arena hall at 8:30 p.m.

Didsbury Pupils In Dance Revue

A two-hour show specializing in tap, baton, acrobatic, Scotch and novelty dances will be presented in a 40-item program. Ages vary from the tiniest four-year-olds, blonde, petite Mary Lou Currie and Wendy Landeen, to a talented twirler with the baton, Margaret-Jean MacDonald of Calgary. The latter was recently named the Alberta champion majorette in a provincial competition and will be the main attraction in her sister's revue. In conclusion she will twirl two lighted batons and the highlight of the evening will be her skilful use with a fire baton.

Mary Lou Currie and Wendy Landeen will appear in four tap numbers with different costumes in each case. A four-sister act, which is rather unusual, will feature the Landeens, a family of girls all taking dancing lessons. Traditionally dressed in Highland kilts, this quartette will dance the Highland Fling, Jeanette and Ora-Mae Landeen will also dance five other numbers.

Admission charges are, 50 cents for adults and 25 cents for students.

GOLF NOTES

Mrs. Wm. McParquhar won the Hidden Hole competition last Thursday. This Thursday will be a handicap competition (weather permitting). Tee off time 2 to 3:30. Everyone welcome.

Midway News

(From Our Own Correspondent)

Mr. and Mrs. Allen Marsh motored to Calgary on Thursday evening to take in the sportsman's show.

Mr. and Mrs. H. Ohlhausen of Calgary have been visiting with their son Edwin and family this past week.

Mr. and Mrs. Jesse Toews were Sunday visitors at the home of the latter's parents, Mr. and Mrs. R. McNeen and family.

Mr. and Mrs. Paul Hauser and Joy were in Calgary on Friday.

Mr. and Mrs. Ray Good appreciated the kindness of their neighbors who helped Ray while he was ill by seeding his wheat for him.

Mr. and Mrs. H. Neumiller and Leslie were visitors in Olds on Thursday.

Mumps are still prevalent in the district.

The show at the school was well attended on Friday night.

Edwin Weber Dies In Hospital

Edwin Weber, farmer and old-timer of this district, died Wednesday evening in Didsbury hospital at the age of 77 years.

Born in Bridgport, Ont., Mr. Weber came west and settled near here in 1894. He farmed continuously until moving to town two years ago.

Surviving are his wife, Hannah; a daughter, Mrs. V. J. (Una) Walker, Hamilton, Ont.; two grandchildren; two brothers, Ephraim in Victoria and Manasseh in Calgary.

Rev. Ray Shantz officiated at funeral services Monday at 2:30 p.m. at United Missionary Church here. Burial followed in Didsbury cemetery under the direction of Didsbury Funeral Home.

MOUNTAIN VIEW

(From Our Own Correspondent)

Folks, there will be a Calgary Power annual meeting picture show and lunch in Mountain View hall, June 15. Lunch will be served by Mt. View W.I.

Regular institute meeting will be held on June 23, one week later, due to Jubilee Beef Club sale being on June 16. This meeting will be at the home of Mrs. Otto Bittner.

Mr. and Mrs. Eric Atkinson and Larry and Mrs. Art Gebers visited with relatives in Calgary Tuesday.

Sunday dinner guests with Mr. and Mrs. Stewart Tighe and boys were Mr. and Mrs. Adam Morasch and Mr. and Mrs. Frank Berg and family.

Mr. and Mrs. Art Gebers were Friday visitors with Mr. and Mrs. Helmer Hansen of Airdrie.

Mrs. McNaughton Sr., Mrs. John McNaughton, Margaret and Sheila, spent the weekend in Calgary recently.

Mrs. Eric Gooding spent the weekend in Calgary visiting with Mrs. Morris Snyder.

Mr. and Mrs. Len Cooper of Red Deer were weekend guests with Mr. and Mrs. Charles Snyder and family.

Congratulations are extended to Miss Doreen Pratt on winning an award in her music for advanced progress during the year.

Mr. and Mrs. Stull and boys of Carstairs were Sunday dinner guests with Mr. and Mrs. Ed McNeil and Chuck.

Mr. and Mrs. Jack Meyer of Edmonton spent the weekend at his home here. Mr. Cecil Weber and children spent the weekend at Red Deer visiting with her mother, Mrs. Davis.

Mrs. M. Dippel is a patient in the Didsbury hospital. We all wish her a speedy recovery.

Miss Grace Hunsperger spent the weekend at the Lynn Hunsperger home and was a Sunday dinner guest at the H. Traub home in Didsbury.

Mr. and Mrs. Cecil Weber and family were Sunday dinner guests of Mrs. Mary Stevens and family.

Mr. and Mrs. Dale Kimmel and Elaine spent the weekend with Mr. and Mrs. Lester Miller at Okotoks.

Mr. and Mrs. E. Bartz and family, Mr. Otto Bartz, Mr. and Mrs. Delbert Levagood and family, Rev. and Mrs. E. B. Fox and family, were Sunday supper guests of Mr. and Mrs. Ed Jans and family.

The district was saddened by the death of one of its old-timers, Mr. Ed Weber, and sincere sympathy is extended to the bereaved.

Mrs. H. Gore and Alex of Olds were Sunday dinner guests of Mr. and Mrs. Jack Edwards and Miss Marilyn Gore of Calgary spent the weekend at the Edwards home.

Mrs. Lynn Hunsperger will attend the W.M.S. conference at Castor on Wednesday and Thursday of this week.

Mr. and Mrs. H. Folkmann and family, Mr. and Mrs. H. Dageford and family, were Sunday supper guests of the Carl Meyer family.

Mrs. H. Folkmann and Katharine and Mrs. E. Pieper were Calgary visitors Saturday, where Katharine wrote her Theory I exam.

Mrs. Trick of Carstairs visited with her sister, Mrs. Ed Clayton and family on Friday.

Mr. and Mrs. Towland and family of Cochrane visited recently at the Ed Clayton home.

Miss Katharine Clayton and Miss Elaine Kimmel were pupils taking part in the piano recital at the United Church on Friday evening.

Mr. Bradley Hudepohl of Williamsburg, Iowa, now at Lacombe with an oil company, called on Mr. and Mrs. H. Folkmann on Sunday.

Mr. and Mrs. E. Dupont Sr. left Friday to attend a wedding at Peace River. However, about 35 miles from Smith they were forced to turn back on account of the roads. They returned home Sunday evening after spending the weekend in Edmonton.

Don't ask us how we like the weather—we might just tell you. The situation is getting serious as some farmers have little or no seed in the ground yet.

There will be a dance in the hall July 1 with Fischer's orchestra supplying the music.

Mr. and Mrs. Ted Morasch and daughter, Mrs. E. Pross and Mr. and Mrs. Alex Konechuh were Sunday guests of Mr. and Mrs. Adam Konechuh.

West Didsbury Golf Club will hold its annual field day, Saturday, June 12 at the farm of Mr. Roy McNaughton. Bring picnic lunch and cups and at noon, coffee will be served. All interested are cordially invited to attend.

Guests at the McRae home for a few days last week were Mr. and

Mrs. Art Gebers were Friday visitors with Mr. and Mrs. Helmer Hansen of Airdrie.

Mrs. McNaughton Sr., Mrs. John McNaughton, Margaret and Sheila, spent the weekend in Calgary recently.

Mrs. Eric Gooding spent the weekend in Calgary visiting with Mrs. Morris Snyder.

Mr. and Mrs. Len Cooper of Red Deer were weekend guests with Mr. and Mrs. Charles Snyder and family.

Congratulations are extended to Miss Doreen Pratt on winning an award in her music for advanced progress during the year.

Mr. and Mrs. Stull and boys of Carstairs were Sunday dinner guests with Mr. and Mrs. Ed McNeil and Chuck.

REGULAR COUNCIL MEETING MONDAY NIGHT

At Monday's meeting of Didsbury Council it was decided to investigate the possibilities of oiling town streets.

A lot was sold south of Olson's to Didsbury Funeral Home and the present funeral home will be moved onto the property.

A building permit was granted to L. Dick for a trailer camp.

Post office authorities asked permission to have a parking space reserved for a mail truck.

The Old Folks' Home were granted permission to have a tag day on Saturday, June 12.

Didsbury W.I. June Meeting

Didsbury W.I. met at the home of Mrs. Hazel Inglis on Wednesday, June 2, with 20 members and two visitors present. Roll call was answered by giving the name of an important man or woman.

Quilt blocks were handed in which some of the ladies will feather-stitch and later make into a quilt which will be raffied. The five-minute talk was given by Mrs. E. Pieper on Vitamin C in the garden.

The visiting ladies, Mrs. Glen Roberts and Mrs. W. McCoy judged the jelly rolls, giving Mrs. G. Bittner first and Mrs. E. Pieper second. Mrs. Reinhardt gave a paper on citizenship and chose United Nations as her topic.

Red Cross sewing was brought and looked after by Mrs. Pieper. The "bit of fun" members brought arab boxes which were handed out by Mrs. G. Rathburn at 25 cents each, realising \$4.75. The 10-cent draw amounted to \$2.10. Mrs. Wahl being the winner of the prize.

The jelly rolls were sampled and discussed during lunch, which was served by the co-hostesses, Mrs. Ruby Block and Mrs. Jessie Blain.

The next meeting will be held on Wednesday, July 7 at the home of Mrs. I. Klein.

Rae's parents, Mr. and Mrs. Bruder of Pincher Creek.

Mr. and Mrs. Jay Chandler of Balzac visited at the Lloyd Chandler home Saturday. Lorne returned to Balzac with them and visited Jim Scott at the Holy Cross. On Sunday evening Lorne was a supper guest at the home of Mr. and Mrs. Art Jackson.

Mt. View Church Now Free Of Debt

On Nov. 12, 1951, the congregation of the Mountain View United Missionary Church, seven miles east of town, decided to erect a church for their community. Generous donations made it possible to build at once and on April 12, 1953, a large audience witnessed an impressive dedication service in the newly finished edifice.

On Sunday, Rev. Amsey Frey, pastor of the church, spoke briefly to an interested audience on the goodness of God in permitting this to come to pass. He said: "It has cost us something in time, labor and money to offer this building unto God. Through His good providence He has made it possible for us to discharge this last financial obligation and declare this house of worship free of debt."

He emphasized the fact that it was because of the generous gifts of the people that this was possible. Mr. Max Archer, chairman of the board of trustees then performed the impressive ceremony of the burning of the note, after which Mr. H. A. Traub, district superintendent of the United Missionary Church conference, lead the congregation in prayer and thanksgiving.

During the past year this community raised more than the \$1400 indebtedness. The church is valued at \$10,000. The pastor and community are to be commended for the splendid effort they have put forth and the beautiful church they have erected.

Close to 200 attended Achievement Day last Friday and were very impressed by the display presented by the boys and girls of grades 7, 8, 9, 10 and 11 of the local school.

The principal, Mr. E. T. Higgins, welcomed the guests and the program opened with the singing of "O Canada." Miss Pat Haliday was the accompanist for the afternoon, with Misses Viola McNaughton, Mary Lou Hosegood and Marilyn Umbach as commentators. Attractive cotton buns and dresses, satin housecoats, denim sports outfits and wool and nylon skirts and suits were ably modelled by the girls.

During intermission the grade 9 girls presented a very clever and breezy skit entitled "Deborah's Vacation." Miss Valeta Watkin was the very able commentator.

A splendid variety of handicraft was displayed by the girls, consisting of needlework, scrap books, copper work and leathercraft. Mrs. M. H. Kimmitt is to be congratulated on this excellent showing, also for the delicious tea served during the afternoon.

The intermediate and high school industrial arts display, under the capable direction of Mr. Haliday, received very favorable comments from young and old.

Grade VII displayed utility boxes, trays, knife holders and metal clamps. Grade VIII, utility boxes, metal clamps, end night tables.

The May meeting of Bancroft Buttercups Girls' Club was held at the home of Sylvia Good on the 29th, and opened with a song and recitation of the creed.

Roll call was answered by group one, by bringing tizzers for shellcraft and groups two and three by naming a book they had read.

Sylvia Good and Audrey Swanson thanked the members for the cards they had received. Each member will try to bring a new member to the next meeting. Rings are to be ordered for members.

June meeting will be held at the home of Marlene Van Meel on Saturday, June 26. The raffle was won by Sheila Stearns.

The girls in group one worked on shellcraft and groups two and three on embroidery.

Winner of last week's prize in the Sundre Car Bingo was Mrs. A. E. Knott of Sundre, who claimed the \$50 lady's wrist watch.

Roads, Sidewalks Causing Trouble

Rain and snow of the past two weeks have raised havoc with roads and sidewalks in the town. When, and if, we do hit a dry spell the town fathers will have a job on their hands to get conditions back to the point where hills and holes don't shake a vehicle apart, even at a low rate of speed.

Talk of oiling roads, brought up at the last council meeting, is a fine idea, but let's level roads off properly before pouring oil on them. The scraping procedure of the past has certainly had no lasting effect.

While we're on the subject of roads, numerous farmers have given us the blast about the condition of many roads in rural areas. Once again, we say there is little that can be done while the rains last, but when it's all over our only advice would be, "see your councillor, he knows more about it than we do!"

While we're on the subject of roads, numerous farmers have given us the blast about the condition of many roads in rural areas. Once again, we say there is little that can be done while the rains last, but when it's all over our only advice would be, "see your councillor, he knows more about it than we do!"

Farmers Face Big Loss In Wheat Cut

NO. 1 NORTHERN DROPS TO 1.75

A move Monday by the Canadian Wheat Board, cutting the price of export and some domestic wheat by 10 1/2 cents a bushel will "mean the loss of \$500,000 to Alberta farmers," Ben S. Palmer, chairman of the board of the Alberta Wheat Pool, said after hearing its decision.

"The move will have far-reaching effects in the province," added Mr. Plummer, "for it means the loss of purchasing power on the part of the farmers who are going up now, it could be disastrous."

The slash affected both wheat on the I.W.A. and other sales, including domestic orders.

Biggest in post-war years, the cut was the second in the last five months, affecting the three top wheats, grades No. 1 and 2, and the Canadian price at the Lakehead at \$1.72; for No. 1 Northern, the lowest in nine years. Smaller reductions were made in lower grades, but farmers, which command a premium price on world markets, were not affected.

Mr. Plummer said that concern was felt in many circles about the carry-over of 1953 wheat still on hand here.

A great deal depended on the attitude of European importers, he felt. If they responded to the Canadian market in wheat, the situation would reflect optimistically for the farmer.

However, he stated, he could see no reason why the price of domestic wheat had been cut. "That certainly does not improve the situation. It's a little early to predict what importers will do. The situation as it stands now is studded with 'ifs,' he said.

Grain officials in Calgary interpret the sudden move on the part of the wheat board as "a real jump to try and cut Canada's wheat stocks."

The action on the part of the board came at Winnipeg at the close of trading there on the grain exchange and followed the announcement of a 10-cent cut in the U.S. wheat price. The U.S. drop came from a decision to increase the shipping subsidy on export wheat by 10 cents a bushel.

In the Commons at Ottawa, Trade Minister C. D. Howe announced that the U.S. had cut the price of wheat Friday "despite representations."

While we're on the subject of roads, numerous farmers have given us the blast about the condition of many roads in rural areas. U.M.S. BOARD MEETING AND W.M.S. CONVENTION OF UNITED MISSIONARY CHURCH

The 34th annual session of the General Board of the United Missionary Society and the 11th annual W.M.S. convention held in Bethany Church, Kitchener, Ont., May 18 to 21, proved to be a time of enthusiasm over past achievements and optimism for the future.

Evening meetings were held in the spacious auditorium of the Kitchener Waterloo Collegiate, with a 70-voice missionary choir from Bethany, New Dundee and Breslau churches, under leadership of Fred Lehman, providing music each evening.

Speaker Wednesday evening was Rev. R. S. Reilly, general secretary of the U.M.S. and on Thursday evening guest speaker was Rev. Paul B. Smith of the People's Church in Toronto.

The U.M.S. now has a total of 102 foreign missionaries. There were 22 home on furlough, including the field superintendent from India and the vice-superintendent from Africa. It was an inspiration to hear from each of these. Also 17 new applicants were accepted and it was a privilege to hear each of these state their call. Of these 10 will go to Nigeria, two to India and two to Formosa.

Total offerings for foreign missions amounted to \$193,280, which is an increase over last year.

The women of the W.M.S. play no small part in the achievements of the U.M.S. Their total offerings last year was \$76,077.92, which is over \$24 per member.

In the Canadian Northwest Conference total offerings were \$7,484. Total membership now stands at 297 in 19 societies, which means an average giving of over \$25 per member.

Of the 14 new missionaries our conference is sending five to Nigeria. They are, Miss Joyce Brukholder, Mr. and Mrs. Auburn Witt and Mr. and Mrs. C. Nelson. Mrs. Witt is a daughter of Mrs. Florence Finlay, who is home on furlough. There were 14 Albertans at the board meeting and convention this year.

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. Ira Stauffer wish to announce the engagement of their daughter, Dorothy Joy, to Mr. Donald Robert Suder, son of Mrs. Lydie Suder of Didsbury. The wedding will take place at the Didsbury United Missionary Church on July 2 at 2:30 p.m.

WHILE HE'S HERE SEE HIM ABOUT THE TRADES, TRAINING AND
CAREER OPPORTUNITIES OPEN TO YOU IN CANADA'S AIR FORCE

How Quickly We Forget

We saw a newspaper heading one day recently referring to the sixth anniversary of the death of Canada's most talked of wartime flying ace, George (Buz) Beurling. Beurling had 31 enemy planes to his credit when he was withdrawn from active combat flying near the end of the war.

One decoration out of the many he received was for shooting down four enemy planes out of an attacking force of eighty planes, his own plane being shot out from under him and his heel shot away.

Turned down by the R.C.A.F. in Canada for lack of schooling, he paid his own way to England and joined the R.A.F. Not until he made a big name for himself as a fighter pilot did the powers that be honor him with a commission.

Rather than be withdrawn from combat duty as an instructor, Beurling transferred to the R.C.A.F. He shot down 28 enemy planes within a fighting period of six months.

Beurling had a peculiar mental quirk. He had something that he could not teach to others, the keen sense of timing that made his shots hit the target with the minimum use of ammunition. Only a rare few aces have this natural gift.

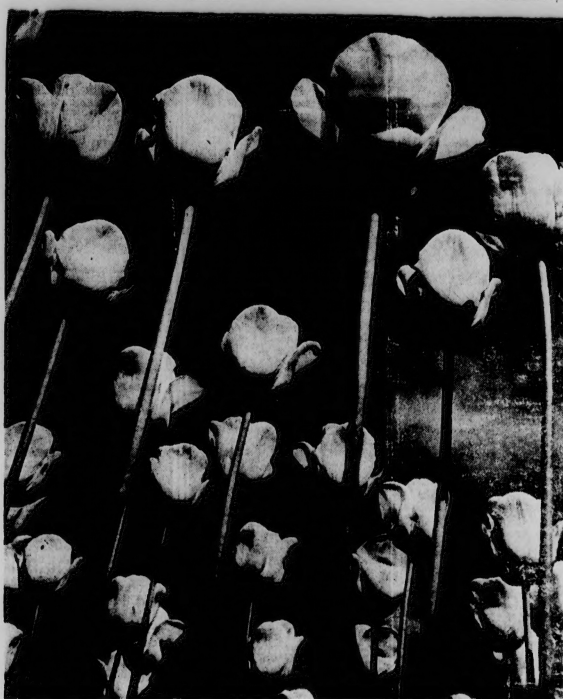

In his later career in the Mediterranean he apparently became combat fatigued, for he crashed several expensive planes, himself bailing out, with no apparent reason from a mechanical standpoint. This in no way detracted from his wonderful record, and the authorities had long felt that he was pushing his percentages too far.

Civil life did not agree with him after the excitement of war. He was welcomed home as the rightful hero he was. He married and his marriage crashed. When the opportunity to fly for Israel presented itself, he jumped at the chance. He was flying a plane to Palestine and had reached Italy. Taking off from the Italian airport his plane crashed after reaching an altitude of 700 feet. While it has never been officially confirmed, it is believed by many that his plane was sabotaged by enemies of Israel while on the Italian airstrip.

IT MAY BE COMING!

Orator: "And now, ladies and gentlemen, I'd like to tax your memory."

Voice from the back of the room: "Oh, no! Not that, too!"

GIFT WITH ESTEEM — From Holland, Land of the Tulips, come 50,000 tulips presented to the people of Canada on the occasion of Canada's second annual National Tulip Festival. Growing in the Can-

adian capital like a multi-colored blanket of brilliant beauty, the tulips are called by special and well-recognized names. Malak, well-known Ottawa photographer who took this photograph, recently re-

turned from Holland where he photographed the great tulip fields, and found the Dutch people exceptionally friendly to Canada with a deep sense of gratitude for the part Canadians played in Holland's liberation.

One marvels that a friend can ever seem less than beautiful.

"Son, if you continue to study hard and be industrious, it's within the realm of possibility that your face will some day appear on a hundred dollar bill."

"Thanks, Dad, but I'd prefer to have my hands on one."

Jones: I am all in; I've been running around all day trying to get something for my wife.

Smith: Well, have you had any offers?

"Is your wife a club woman?"

"No, mine's strictly a dish thrower."

"How did you get started in the banking business?" the old banker was asked.

"I was simple," he replied, "I put up a sign sayin' 'Bank'. A feller came in an' gave me \$100. Another came by with \$200. And, sir, by that time my confidence had reached such a point that I put in \$50 of my own money."

Purchasing Power And Employment

We strongly believe in purchasing power as a means of creating employment. But we should understand the terms we are using. Many people look on purchasing power as another name for money, and believe that it can be increased at will by simply paying more money for the work that is being done.

In actual fact, purchasing power is anything that people will accept in payment for the goods or the services they have for sale. What most people want in exchange for their goods or their services is other goods or services that other people have for sale.

Thus, purchasing power is any goods or services that can be sold.

Money is a certificate of value showing ownership of goods or services up to the value printed on it. It is a great convenience because it can be carried around in one's pocket and also because it can be applied to any goods or services that are for sale.

It is accepted as value because people have confidence that there are enough goods and services available to honor all the money in circulation if called on to do so.

But if we start paying more money to the workers without any increase in the goods or services they produce we shall soon find that the value of our money is slipping; it's purchasing power is decreasing and no increase in employment will result.

Wage earners should keep these facts in mind when they are being urged to demand more pay for less work.

It is productive industry that creates purchasing power and nothing else can do it.

Ask Your Canadian Pacific Agent for Holiday Advice

- Spend a sun-filled, sea-breeze, "down east" holiday with the family at famous resort hotels in the Maritimes.
- Fish and hunt but "a stone's throw" from Canadian Pacific lodges.
- Enjoy a mountain of fun at Banff and Lake Louise. Sky-line hikes, trail riding, golfing, swimming. Low cost all-expense Rockies tours.
- Go the cool Great Lakes way. Break your train trip to or from the West with a refreshing 2-day cruise.
- A wonderful West Coast holiday awaits you at the world-famous Empress hotel, Victoria. Travel to storied Alaska aboard luxurious Princess liners.
- Every Canadian Pacific hotel from coast to coast offers you choice accommodation and superb service.

What Is News?

(From the files of The Canadian, for June 11, 1914)

It has been the custom in the past to poke much fun at the country newspaper items for such important news as the fact that Abner Jones has pointed his barn, or Miss Annelise Botts has gone to the city to look at the spring millinery. Big papers have snorted loudly every time that a meeting of the sewing circle was held at the home of Mrs. Lafa Perkins.

Yet one might pick up any New York paper and have a lot more fun reading the "real" news of the day as it is published. The other day Lord Davies, who was travelling in California, lost his handbag containing his comb and brush, and was forced to use his wife's toilet articles. This intimate little family incident was telegraphed over the land and the big papers played it up on the front page.

The other night Miss Eleanor Wilson, daughter of President Wilson, went to the theatre without first having had her dinner. She sat in the shadow in the box and ate a bun. This was a big item of news, and the big papers treated it as such.

When Abner Jones painted his barn, it meant more to him and to his neighbors than the loss of a hundred combs and brushes and when Mrs. Lafa Perkins entertained the sewing circle, it meant more to her and the community of Poke Centre than all the theatre parties Miss Wilson ever attended. The value of news depends entirely upon the point of view. The little community papers contain more real news of interest to their readers than do all the big newspapers in the country combined and piled into one.

Familiarity Breeds Safety

The old saying that familiarity breeds contempt is far from true when it comes to motorizing and highway safety. The more familiar a driver is with the operation of his car, the safer a driver he is. For instance, just the other day a motorist leaned down, eyes off the road, to adjust the heater. The result was, the car in the ditch, practically demolished and a trip to the hospital for the driver. This should never have happened.

Every car driver should be so familiar with all the controls of his car that he reaches for them automatically, without turning an eye from the business of driving for even a second. Until a driver has this complete familiarity with his car he should not be on the highway or driving in traffic.

A car at normal highway speed travels a mighty long distance while a driver is searching for a radio knob or a heater control. If the driver is not able to see the road, or approaching or following traffic, even for a moment, an accident can result. Don't let it happen to you. Be completely familiar with your car. —The Innisfail Province

HUNTING ON PRIVATE LAND

Amendments to the Alberta Game Act dealing with a landowner's right to post his land against hunters prompts the Nanton News to declare that the onus of entry should rest with the hunter, not the farmer. It says that "no one should enter any land without the owner's understood permission." The absence of "no shooting" signs should not mean that hunters are free to roam and shoot at will, but that they may ask permission to do so.

Notes From D.A.

HUGH McPHAIL

The 4-H Club program is expanding across Canada and assuming greater and greater importance. The following clubs are operating successfully in this district:

Westward Ho Calf Club, Olds; West Didsbury, Jutland, Carstairs; Cremona, Crossfield, Olds Dairy Calf Club, Betchton, Harnattan, Carstairs, Crossfield.

The following are some of the events arranged for these 4-H clubs and their friends.

Saturday, June 12, there is to be a club rally for the Beef Calf Club at Roy McNaughton's farm, 10 miles west of Didsbury. Picnic lunches will be enjoyed on the spacious lawns at 12 noon. Then three classes of Aberdeen Angus cattle will be judged by the club members. Mr. Hammill, M.L.A., has donated a trophy for the best judge in these clubs.

Short speeches will be made by Mr. Hammill and the club leaders. Gordon and Don McNaughton will demonstrate preparing and showing a calf.

Wednesday, June 16, over 100 calves will be shown by the members of the seven beef clubs. The show is to be held in the arena at Carstairs. Calves will be weighed from 8 a.m. and should be ready to show at 10 a.m. The sale starts at 2 p.m.

Saturday, June 19, there is to be a 4-H Dairy Calf Club rally at the O.S.A. The following clubs are invited: Olds, Betchton, Acme, Bowden, Red Deer and Elmore. Three classes of Holsteins will be judged, starting at 10 a.m. Picnic lunches will be enjoyed at noon in the Mechanics Building. Coffee and milk will be served by the O.S.A. In the afternoon ball games will be played.

Anyone interested is welcome to attend any of these events.

HERE IT IS AGAIN!

A farm laborer was killed last week in a tractor accident just outside of Edmonton. It is believed that the tractor seat broke and Mr. Ferris fell between the machine and the plow.

Tractor Deaths

The alarming toll of tractor deaths in Alberta calls for prompt and effective measures to curb this problem. Special efforts are being initiated by the Alberta Safety Council to promote greater farm safety.

In 1953, there were 21 deaths in Alberta through tractor accidents. Of these victims, 17 were drivers. In seven cases, the fatality was due to the tractor overturning on a highway. In eight other instances, death was caused by the machine overturning while on field work.

In addition, two passengers and two bystanders were fatally injured in tractor mishaps.

Last year, 15 drivers were injured in tractor accidents, in addition to two passengers and two bystanders. Excluding tractors, there were 38 fatal farm accidents last year which with 65 non-fatal, makes a total of 103. The majority of these accidents involved persons over 40 years old.

This year tractor safety is being stressed at rodeos, summer fairs and other gatherings. Numerous posters on this subject have been distributed by the rural safety division of the Alberta Safety Council.

Wide interest has been created in the rural safety essay competition which was inaugurated by the A.S.C. three years ago. In 1953, forty-one school divisions took part and 31,000 pupils were reached.

Again this year, the top three essay writers in the province will be awarded \$50 for first prize and \$25 each for second and third winners, besides an all-expense paid trip to Edmonton and a complimentary dinner for the winning pupils and their teachers.

CHURCH CHOIR TO PRESENT "A NIGHT OF SONG"

Terminating a year's activity, the Evangelical Church Choir is presenting "A Night of Song," under the direction of Mr. Ken Sherriek, and Miss Esther Neufeld, organist. The program includes, choir numbers, duets, quartets, sextets and octets. The date is June 11 and the time 8 p.m. Everyone is welcome.

Through The Study Window

By REV. C. C. ARMSTRONG

The United Church has responsibility for six redemptive homes. The nearest of these is the Mountview Social Service Home in Calgary. The superintendent, Jessie R. McIntyre, reports that legislation limits the number of girls in residence to 25 at one period. During the past year 161 girls were cared for. Of this number, 51 were given shelter, protection, education and training for an extended period of time. The average age of this group was 15 1/2 years.

Miss McIntyre reports: "When girls are committed to our care we offer them a place in the 'family' group. Sewing, embroidery, gardening, physical training, music appreciation, talks and discussions, lectures on health and hygiene, attendance at church, periods of meditation and worship come within the scope of our activities."

The report on all of our six redemptive homes gives the same picture on a larger scale, except the average age is somewhat higher (eighteen years, instead of fifteen and a half). The nature of the cases is as follows: maternity, 137; prostitute, 23; delinquent under sixteen, 14.

Those getting into difficulties were domestic servants, teachers, office workers, nurses. The largest group is office workers (106) and the smallest hairdressers (1). This is not cheerful reading, for it indicates that by far the greater number of girls who get into difficulty are not vagrants, but young people who are already employed, starting to earn money, but without sufficient moral and spiritual support or strength of character to withstand the temptations of life. It means that "giving them something to do" is not the answer to delinquency or moral problems.

The real need is to give them something to live for, to give them a higher perspective than their own immediate desires, passions and pleasures. This is to be found supremely in the Christian faith and the Christian life.

What are the results of a season in such homes as our Mountview Home? Statistics give some indication, as follows: making profession of faith, 40; restored to parents, 81; sent to safe positions, 22; children sent to good homes (adoptive), 73; marriages in the home, 14; left of own accord, 4; transferred to other homes, 2.

These figures indicate that not all have found the way of salvation, but they do reveal that the church has been a powerful influence and factor in the work of redemption.

TED STAUFFER
Phone 50, Olds, Alta.

MODERN ALUMINUM alloys seem tough enough to take almost anything. For instance, one manufacturer uses aluminum for those little electrically driven cars the kids love to climb into at carnivals and fairs. The idea is to whirl around at high speed exchanging spine-shattering bumps with other "motorists". They actually stand up under this treatment (the cars, we mean). Our own Alcan researchers are constantly developing and testing new applications, better products, improved production techniques. There's always something new in aluminum! Aluminum Company of Canada, Ltd. (Alcan).

A Little McCarthy

The Manchester Guardian is one of the most reputable newspapers in the world, and Senator Joseph McCarthy one of the most disreputable politicians.

When Ronald Gostick, leader of the anti-Semitic movement in Canada and of the outlawed Douglas brand of Vitrolite "Social Credit," spoke to the Fort Macleod Chamber of Commerce recently, he is reported to have said the Manchester Guardian "commended" Senator McCarthy.

J. P. Griffin of Ft. Macleod sent a clipping of the speech to the Guardian editor, and the reply has been published. It says the quotation referred to was "an unmitigated untruth," and the editor "assumes that Mr. Gostick is a sort of Canadian McCarthy on a small scale."

Since McCarthy is Gostick's ideal, there should be no offence taken if we say that is a good description of Gostick.

—Calgary Albertan

GEMS OF THOUGHT

FRIENDSHIP
A true friend is the gift of God, and he only who made hearts can unite them.

—Robert South

The firmest friendships have been formed in mutual adversity; as iron is most strongly united by the fiercest flame.

—Caleb C. Colton

Friendship must be accompanied by virtue, and always lodged in great and generous minds.

—Joseph Trapp

A man should keep his friendships in constant repair.

—Samuel Johnson

When we are young, friends are, like everything else, a matter of course. In the old days, we know what it means to have them.

—Edward Grieg

DIRECT WHEAT SHIPPING

A German motor ship took the first cargo of Canadian wheat directly from Fort William at the head of the lakes to Great Britain, thus saving several shillings a ton. The cargo was imported by a U.K. flour mill and included 1,150 tons of wheat. This method of transporting grain from the Lakehead overseas will become more general when the St. Lawrence seaway is completed.

How big is a Profit?

A lot less than most people think!
The only quarrel most people have with profits is ... they think they are too big ...
But how big is too big?
To find out, survey people rapped on doors right across Canada.
Most Canadians think companies like Imperial make 29¢ on each dollar of sales. Most of them think such companies are entitled to make about half that ... 15¢ on the sales dollar.
Imperial's profit in 1953 was actually less than 8¢... less than a third of what most people thought we made.

Dear Editor:

... the letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straight-thinking people..."
"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor..."
"The Monitor gives me ideas for my work..."
"I truly enjoy its comments..."

You, too, will find the Monitor informative, with complete world news. You will discover a constructive viewpoint in every news story. Use the coupon below.

Gamma Globulin — What It Is

Gamma globulin, in areas where poliomyelitis is prevalent, has attracted wide-spread interest. In some areas the demand for its protective action has been violently insisted beyond any possibility of its being satisfied. What is this wonderful substance?

Gamma globulin is the specific portion of human blood containing the protective factors which render people immune from a disease which they have previously contracted. It thus carries protection against all commonly occurring infectious diseases having a more or less permanent immunity, e.g. measles, chicken pox, infectious jaundice and mumps.

Since most adults have contracted "polio" in a mild and undiagnosable form, the gamma globulin extracted from their blood is effective against this disease.

In preparation the blood is pooled so that the resulting gamma globulin contains the degree of immunity enjoyed by the adult population in general. When a sufficient amount of this product is injected a temporary immunity from polio is achieved. It lasts for some five weeks or so. This immunity, properly used, may save a life or the use of a limb where polio is prevalent.

Give BLOOD Help fight POLO

CALL YOUR RED CROSS

Gamma globulin is costly. At wholesale commercial rates its would cost from about \$10 to \$40, according to the dose required. Because of this, it is evident that its use must be controlled to assure its greatest effectiveness and in Canada it must be clearly understood that this is a responsibility of the government which is making its large scale manufacture possible. The department of public health will govern its distribution according to the need. The Canadian Red Cross is responsible only for the collection of blood to enable the manufacture of gamma globulin.

Without the Canadian Red Cross support, this gamma globulin program would be scarcely possible at all. It is only because the Red Cross can command a very large amount of free voluntary support in its work that this portion of the blood program can be carried out. What other organization could undertake the provision of 150,000 bottles of blood per year at such low cost? Indeed, what other organization could command the voluntary support of so many willing blood donors?

By entering into the government's gamma globulin program, the Red

CHRISTIAN SCIENCE

That spiritual understanding of God protects man from disease and danger, and is not subject to material laws of chance and change, will be brought out at Christian Science services Sunday. Keynote of the lesson-lesson entitled "God the Preserver of Man" is the Golden Text from Deuteronomy: "The eternal God is thy refuge, and underneath are the everlasting arms" (33:27). Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "God has endowed man with inalienable rights, among which are self-government, reason and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love" (106:7). From the King James version of the Bible the following verses will be among those read: "Because thou hast made the Lord, which is my refuge, even the most high, thy habitation; there shall no evil befall thee, neither shall any plague come nigh thy dwelling" (Psalms 91: 9, 10).

Cross Blood Transfusion Service is able to assure its blood donors that their contribution has yet another avenue by means of which health and even life may be assured. It should not be forgotten, however, that the immediate provision of fresh blood for use in our hospitals is by far the most important part of the B.T.S. work. The provision of plasma for use in emergencies ranks second. Other important medical uses for blood products will come in the near future. The Canadian Red Cross supporters can look forward with pride to the increasingly important role which they play through their participation in the society's blood transfusion service.

Upper right: Control Parts Distribution warehouse.
Centre: Final Assembly Plant
Foreground: Body Assembly Plant.

Fifty-six acres are under roof at the site of the largest automobile manufacturing centre in Canada. General Motors' new assembly plants in south Oshawa. The factories (shown above) to be officially opened this fall, will produce all G.M.

passenger cars in Canada. In all-out production the modern assembly plants, which cover 43 acres, will raise capacity by more than 24 per cent. to 1350 vehicles a day. Insert at upper left shows infra-red paint drying oven, a new installation that bakes paint from inside out to produce tough high gloss finish. The Oshawa development is one unit of a General Motors expansion program that has seen 100 million dollars invested across Canada over the past four years.

AN UNWISE MOVE

In the calendar year 1953 Canadian exports to Great Britain had a total value of \$665 million. Imports from Britain totalled only \$453 million. Canada thus had a favorable trade balance with the United Kingdom of \$212 million.

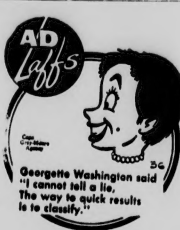

In 1953 Britain bought Canadian wheat and wheat products to the total value of \$108 million. Wheat and wood pulp to the value of \$110 million.

Manufacturers of woolen products in Canada have been protesting against imports of British wools. Hon. Douglas Abbott, federal

minister of finance, has instructed the tariff board to make a study of the present tariffs on such imports.

Actually imports of woven wool fabrics from the U.K. last year totalled about \$37 million. Rather than increase tariffs against British goods Canada should even go so far as to reduce the same in order that the trade between the two countries would be in better balance.

Great Britain is the best market for Canadian wheat and other primary products. If Canadians do not buy British products we cannot possibly expect to maintain large exports thereto.

HOW TO MAKE summer meals
GOOD FOR THE FAMILY EASY ON THE COOK
Hot weather meals are usually light, cool and quickly prepared. That's fine, as long as they're nourishing! Serve your family plenty of dairy foods—milk, cheese, ice cream and so on. They are an abundant and inexpensive source of protein that builds and repairs body tissue; calcium, the tooth and bone builder; Vitamin A; and thiamine for healthy nerves.
SANDWICH
Butter enriched bread, and sandwich in your choice of Canadian cheddar cheese or creamy cheese fillings.
SALAD
Cool cottage cheese. Right with all fruit or vegetable combinations.
DESSERT
Watch your dealer's freezer for new flavours and old favourites. Ice cream is good, and good for you.

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

Rev. D. M. Taylor and Edward Oke are engaged in evangelistic services in Bergen this week. We are sure that if there are those who could attend some evening this week it would add to the interest of the meetings.

Rev. and Mrs. H. Edwardson were visitors on the campus and in the community during the last two weeks. Mr. Edwardson has been a minister in the Alliance Church in downtown Vancouver recently. They made their home in the College while here.

Miss Marlene Sharman is taking her Grade X Toronto Conservatory examinations in Olds this week. In her recent recital in piano she showed excellent talent, and our best wishes are with her as she takes this exam. She will be returning to the College in the fall to continue her work in piano, working for her degree in music. She leaves for her home in Qualicum Beach, B.C. later this week.

We are happy to inform our readers that Mr. L. Edward Widmark, graduate in music of Fort Wayne Bible Institute, Indiana, will be our piano teacher this coming year. Mr. Widmark carries excellent references and is qualified to teach piano and kindred subjects here. He has carried responsibilities in this field with great success and we know that as he comes to us he will bring with him assurance to those he will teach that what they get will count toward their work with the Toronto Conservatory. He is making a study of their syllabus at present and arrangements will be made to qualify as teacher of their courses.

Miss Lois Suder is back with us again. She has had a successful and happy year in Mt. Carmel high school in Kentucky and gives glowing accounts of the many good times experienced there. She will return to continue her work there in the fall.

Master Keith Taylor had a delightful birthday last Friday. Aunts and grandparents remembered him, as well as friends here. How his eyes glowed as he showed his gifts exclaiming, "birthday, birthday!" He was two years old.

Two more business men of Didsbury have taken Living Endowment League subscriptions during the past several days. Between them they took five units. This is greatly appreciated.

The shrubs at the front of the school were cut back quite severely last fall, but now they are beginning to bud again and soon they will show the value of such treatment. Mr. Eby, the grounds superintendent, will keep them trimmed when they develop further and they will present a much better appearance than formerly. The school grounds present a big task to the person who cares for them, and only a portion can be kept in lawns under the present arrangement. The lawns are developing however, and we would suggest that any one driving in with a car avoid crossing any section where there is no road, especially during this wet season.

Perhaps soon the skies will clear, the sun will shine again, the grain will be in the ground, gardens will shoot up almost overnight, and all will be well. Then we'll say, "lots of moisture for the crops this year. Glad it isn't dry."

"Old at 40, 50, 60?"

— Man, You're Crazy

Forget your age! Thousands are happy at 70, at "tripleday" with Oxy's Cream. For one week, random testing was made solely to help the lot of those who are old. Men and women call "old." It's Oxy's Cream Tablets for men, your best friend, this very day. Now get acquainted! size only 60¢. For sale at all drug stores everywhere.

William R. Knox (above) of Boston, Mass., was recently named president of The Mother Church, the First Church of Christ, Scientist, in Boston, Mass., at the annual meeting attended by Christian Scientists from many parts of the world.

WALTHER LEAGUE
REGULAR MEETING

The June 1st meeting of Redeemer Lutheran Walther League opened with the hymn, "How Shall the Young Secure Their Hearts," the reading of 2 Timothy 3:14-17 and a prayer. Alvina Jans led the topic, "To Serve Better We Learn More."

Every league family will donate a dish cloth to the church kitchen. The motion that a Nigerian might be held to raise funds to further the mission work in Nigeria was tabled until the fall.

A letter was read from Art Reinhardt in which he asked for his resignation. This was granted. Erhard Reinhardt gave a report on the spring rally held at Claresholm on May 24. Five Didsbury leaguers attended the rally, during which the fall rally was invited to Didsbury.

A year's subscription for each family to "North Light Rays" will be sponsored by the league. "North Light Rays" is a monthly newspaper published by the Alberta-B.C. District Walther League.

The executive appointed the following committees: Membership committee — Otto Bartz, Bertha Jans, H. Scheuer; Christian service — chairman, Norma Scheuer; responsible for first meeting, Bernice Befus, Lucie Selent, Eddie Rodney; responsible for second meeting, Alvina Jans, Betty Reinhardt, Harold Scheike; Wheatridge seals, Florence Artman; subscription manager, Johnny Reese; talent, quest chairman, Gordon Gebers.

Rev. Fox was presented with a purse of money toward the purchasing of a fine cabinet, the occasion being his birthday.

Coming Events

—St. Cyprian's Anglican W.A. will hold a Strawberry Tea and Food Sale on Saturday, June 19th, in the Lions hall, from 3 to 6 p.m.

—The annual meeting of the Mountain View Rural Electrification Association Limited will be held in the Mountain View Community Hall on Tuesday, June 15, 1954 at 8 p.m. A representative from Farm Electric Services will be on hand to give information and there will also be a film. Lunch will be served at the close of the meeting.

—The Women's Institute will hold its constituency conference in Knox United Church, Didsbury on Saturday, June 19, commencing at 10 a.m.

—Junior square dancing with Murray Anderson calling, Lions hall, 8 to 10 p.m., Friday, June 11.

—Tag Day for Didsbury Old Folks' Home, Saturday, June 12.

Mr. and Mrs. John Folkmann left Sunday for West Yellowstone where the former will attend a convention of Lions International.

The W.M.S. of Knox United Church will be sending used clothing overseas before the end of June. Anyone who has clothing to send please leave it at the manse soon.

REUNION SERVICE SUNDAY AT REDEEMER LUTHERAN

The annual reunion service of all past confirmants of the Lutheran Church in the Didsbury parish will be held next Sunday beginning at 8 p.m. As in past years, a roll call of the confirmants within the past 15 years will be read. During this time 131 children and adults joined the Lutheran Church through the solemn Rite of Confirmation. Numerous others were received by transfer.

Following the re-consecration service, Redeemer Walther League will be hosts to everyone present at a social in the basement of the church. The highlight of this social will be a candle-lighting service to commemorate the first birthday of the International Walther League of which the Redeemer Lutheran Walther League is a part.

PUBLIC NOTICE

Garbage

Upon a recent inspection of all garbage receptacles throughout the Town of Didsbury, it was found that in many cases these containers are "improper in size and number".

Notice is hereby given that on and after the 10th day of July, 1954, all properties upon which there is a residence or place of business shall be required to have an adequate supply of covered containers, in accordance with the Town of Didsbury Law No. 222.

Failing this, action will be taken by the Local Board of Health against all offenders.
